Reunion Weekend May 26-28, 2011

Matthews Courtyard Tent

Contact: Teddy Chestnut '06, theodore.chestnut@gmail.com

First-Year Outdoor Program (FOP) Pioneer and Generational Thought Leader Buck Burnaman once organized a Burnaman family reunion by clapping his mighty hands three times; his family assembled from around the world in under 24 hours.

In the same tradition of congregating and carousing with friends and family when times are good, members of the extended FOP family are invited to gather at the Five-Year Reunion on Saturday afternoon. We encourage all former FOP leaders, FOPpers, FOP fans, Friends of Peace, and enthusiasts of drinking games thinly disguised as constructive and healthful activities for staving off hiking dehydration to join us for games and merrymaking.
